A \$150.00 credit for those families that pay **in full by July 1, 2010**.

\$200.00 credit for those families that refer another family to enroll. Credit will be given to the referring family's account after January 1, 2011, provided the new family stays enrolled in the school until then.

Terms of Payment

All tuition payments are made through **Thrivent** and are automatically deducted from the family's bank account. We are now using Thrivent instead of FACTS.

12 Tuition payments begin either on July 5th or 20th, 2010.

July's tuition payment is a deposit on your enrollment commitment. We use the money to contract staff and purchase supplies. **The deposit is non-refundable.**

Families enrolling after July 1, 2010 must make-up the payment schedule.

All tuition monies are held in a separate account. In the event that the school doesn't meet the level of student enrollment needed to operate prior to the beginning of the school year, all tuition monies will be refunded.

Please check off your planned method of payment:

_____ Payment in full by July 1, 2010.

_____ Monthly automatic deductions beginning _____ on July 5, 2010 or _____ on July 20, 2010

I have read the above terms and agree to them.
